### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nonviolent Peaceforce, Inc. as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Notes to Financial Statements**

### 1. Summary of Significant Accounting Policies

### Organization

Nonviolent Peaceforce, Inc. (the Organization) started as a project of Peaceworkers in 2002. The Organization has organized teams of unarmed civilian peacekeepers composed of trained civilians from around the world. In partnership with local groups, the Organization's members will apply proven nonviolent strategies to protect human rights, deter violence, and help create space for local peacemakers to carry out their work. The administrative and fundraising office for the Organization is located in Minneapolis, Minnesota.

### **Related Parties**

The Organization is related to Nonviolent Peaceforce AISBL, which is located in Brussels, Belgium, including project offices in South Sudan, Syria, South Caucasus, Myanmar, and the Philippines, and is also related to Nonviolent Peaceforce, an unincorporated international organization. A large majority of the boards of all three organizations are the same individuals. The Organization raises funds for Nonviolent Peaceforce AISBL.

### **Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

### Basis of Presentation

The Organization's assets, liabilities, net assets, and revenues are segregated into classes according to the uses of related resources. These classes of net assets are summarized as follows:

### Unrestricted

Those resources over which the board of directors has discretionary control.

### Temporarily Restricted

Those resources subject to donor imposed restrictions which will be satisfied by actions of the Organization or passage of time.

### Permanently Restricted

Those resources subject to a donor imposed restriction that they be maintained permanently by the Organization. The donors of these resources permit the Organization to use all or part of the income earned, including capital appreciation, or related investment income for unrestricted or temporarily restricted purposes.

The Organization had no permanently restricted net assets at December 31, 2013 or 2012.

### Notes to Financial Statements

### Cash and Cash Equivalents

The Organization considers all cash and donated securities pending liquidation at year-end to be cash and cash equivalents.

### Concentration of Credit Risk

The Federal Deposit Insurance Corporation insures accounts up to \$250,000. At times, the Organization's cash balances may exceed the insured limits. The Organization did not experience any losses in these accounts during the years ended December 31, 2013 and 2012.

### Grants and Contributions Receivable

Grants and contributions receivable are recorded at net realizable value. An allowance is estimated for accounts that are not expected to be collected.

### Pledges Receivable

The pledges receivable balance includes pledges from the Hartsough-Duncan Founders Circle (HDFC) campaign which began in 2009 and lasted primarily into 2010 as well as other various pledges made by donors. These pledges were recorded at the time a pledge was made by the donor. An allowance is estimated for pledges that are not likely to be collected. Pledges are written off once the Organization has exhausted all efforts of collection.

### **Property and Equipment**

Acquisitions of property and equipment in excess of \$500 are capitalized. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets as follows:

| Computers and equipment | 3-years |
|-------------------------|---------|
| Promotional video costs | 3-years |
| Leasehold improvements  | 3-years |

### Recognition of Revenue

Contributions and gifts are recognized as revenue as they are made. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted support. When a temporary restriction expires or is met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Donated stock is sold immediately upon receipt.

### **Notes to Financial Statements**

### Contributed Goods and Services

Contributions of noncash assets and materials are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donations, are recorded at their fair values in the period received.

### Concentrations of Revenue Sources

The Organization derived approximately 23% and 18% of its support and revenue from one source for the years ended December 31, 2013 and 2012, respectively. Approximately 71% of the Organization's pledges receivable is due from one donor at December 31, 2013, and 44% is due from 3 donors at December 31, 2012.

### Allocation of Functional Expenses

Except for certain items allocated on a direct basis, all expenses are allocated among the program, management and general, and fundraising categories based on management's best estimate of actual amounts expended or time allocated to those categories.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Income Taxes

The Organization is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and applicable state statutes and generally is not subject to income taxes. The Organization follows the provisions of accounting for uncertainty in income taxes. This standard clarifies the accounting for uncertainties in income taxes recognized in an entity's financial statements and prescribes a recognition threshold for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized.

The Organization's tax returns are subject to review by federal and state authorities. The Organization is not aware of any activities that would jeopardize its tax-exempt status. The tax returns for the years 2010 to 2013 are open to examination by federal and state authorities.
