

Terms of Reference (repost) Safeguarding and Accountability Manager

Job Title: Safeguarding and Accountability Manager (SAM) – *(Philippine Nationals Only)*

Function: Safeguarding and Accountability

Duty Station: Cotabato City, Mindanao, Philippines (with visits to multiple field locations throughout the country)

Line Manager: Head of Mission

Technical Line Manager: Global Safeguarding and Accountability Manager

Nonviolent Peaceforce (NP) is a dynamic, international non-governmental organization. We work with people affected by violent conflicts to enhance their security and dignity through unarmed civilian protection (UCP). We work to reduce violence and protect civilians in countries affected by violent conflict and its aftermath and to help transform the world's response to conflict situations.

JOB PURPOSE:

The post holder will lead efforts to refine NP's safeguarding and accountability approaches across its NP Philippines programme (NPP). The SAM must have a vast technical expertise and understanding on relevant national and international rules, regulations, and donor requirements concerning safeguarding and accountability. S/he will be able to translate those standards into day-to-day practices and build an infrastructure within NPP to effectuate implementing mechanisms. For this purpose the SAM will develop detailed guidance and provide ongoing technical support to field teams and partners across NPP's portfolio to strengthen best practices, tools, and implementing strategies for safeguarding and accountability.

KEY OBJECTIVES/RESPONSIBILITIES:

1. Design and implement strategies to support and guidance to managers and staff ensuring that adequate Safeguarding measures are integrated into office operations, processes and programmes as outlined by the Safeguarding implementation standards and other core Safeguarding documents.
2. Coordinate the implementation of NP's Safeguarding Policy Implementation standards, ensuring managers are aware of which standards apply to their area of responsibility and facilitating a team of delegate focal points, in order to ensure Safeguarding measures are integrated into activities across all departments.
3. Effectively manage an audit programme within NPP, ensuring compliance with national and international requirements and to ensure that any action plans are fed back to the global Safeguarding Manager.
4. Undertake clear and strong advocacy on Safeguarding at all levels across the office, acting as an ambassador and role model for Safeguarding implementation at all times. This will involve making use of appropriate internal platforms and events (e.g. management meetings, staff inductions etc.) to raise awareness on and increase commitment to the policy.
5. Deliver mandatory Safeguarding briefings, inductions and/or workshops to staff, managers and associates ensuring all are aware of what Safeguarding means for them and how to execute their specific responsibilities under the policy. Deliver on-going refresher training and induction as necessary.
6. Coordinate the annual Safeguarding implementation standards self-assessment and incident reporting exercises, providing reports on outcomes and trends to the country management team.
7. Focal point for coordination with staff care external provider, promoting the use of mental health tools available across all country offices.
