

Limited auditor's report to the Board of Directors of Nonviolent Peaceforce on the review of financial information for the full year period ended 31 December 2014

Introduction

We have reviewed the accompanying combined balance sheet and combined income statement of Nonviolent Peaceforce as at December 31, 2014 (the combined financial statements) which show a balance sheet total of 5,126,283 EUR and a positive result for the year of 210,060 EUR. These financial statements are the responsibility of the association's management. Our responsibility is to issue a report on these combined financial statements based on our review.

Scope of review

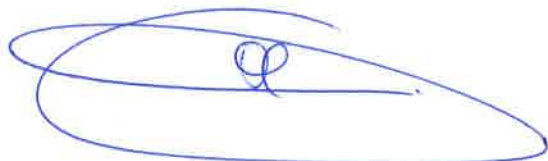

We conducted our review in accordance with the International Standard on Review Engagements 2400. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit.

We have not performed an audit and, accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying combined financial statements do not give a true and fair view in accordance with the financial reporting framework applicable in Belgium.
