

## Limited auditor's report to the Board of Directors of Nonviolent Peaceforce on the review of financial information for the full year period ended 31 December 2018

### Introduction

We have reviewed the accompanying combined balance sheet and combined income statement of Nonviolent Peaceforce as at 31 December 2018 (the combined financial statements) which show a balance sheet total of 10,485,910 EUR and a positive result for the year of 480,355 EUR. This combined financial information is the responsibility of the association's management. Our responsibility is to express a conclusion on this combined financial information based on our review.

### Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2400. A review of financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying combined financial information is not prepared, in all material respects, in accordance with the financial reporting framework applicable in Belgium.
